

cakes, tortes & tarts

About our cakes...

Everything on this menu is made right here at the bakery, every effort is made to give you the freshest, best tasting product we can. We use no preservatives. Our butter cream frosting is made with sugar, butter and egg whites to produce a very light, not overly sweet icing. Our chocolate cakes are very moist, yet not fudgy. Our vanilla cake is a "chiffon sponge" cake which is a sort of cross between traditional yellow cake and angel cake.

When you order a cake from us it is baked the night before or that morning, not simply pulled out of the freezer. I know you'll love your cake.

And also...

We also have fantastic cookies, ragulach and macaroons. We offer a wide selection of fresh breakfast pastries every day, great eclairs, brownies and squares. We bake our own bread, pastries and croissants daily. Sally Ann's is open every day except Sunday.
